This unique Catalogue is available in two versions:

Collector's Edition

This is a limited edition series. The back and front covers are ¼" high density natural board. The front cover features a square cut through to a black illustration board inner cover. An unglazed, fired and reduced original piece of Raku ceramic is mounted within this feature, each unique and numbered and autographed by Jim Romberg. Each catalogue is wrapped in natural Kraft paper, tied in red and presented in a gift box of shredded natural material. \$95.00 US + \$9.00 for shipping within the US

The Gallery Edition

This version is identical in content. The cover is heavy black illustration board with a textured black label mimicking the sought after Raku glaze "halo" effect. This edition is not boxed. \$65.00 US + \$5.00 for shipping within the US
